WHAT DOES JESUS SAY NEXT ?

He says to go to all nations. That means everybody, but before we always choose people. We would think, this person is very ugly, poor. Don't give anything to him. But this other person is very nice we tend to choose who we think will respond to the gospel. Jesus said: " don't just choose some but go to everybody...

MISSION:

Light of the World Evangelical Church is a church, family with the burden of reaching the unreached people with the gospel.

- Evangelism.
- Promoting spiritual healing through Christian counseling services.
- Children discipleship.
- Unity and reconciliation.
- Community development among communities.

REACHING PYGMIES IN THE BUSH

Pygmies group are the unreached people living in the bush, forest, hills in DRCongo, Rwanda, Burundi, Uganda.

The Spirit of God is asking who will go and encourage these people, who will show them the way, who will make them understand that God loves them?

God wants someone somewhere with a mind of God, full of Holy Spirit to stand and go deep insinde where these people are.

VISION:

Looking forward to do the will of God by making disciples of Jesus Christ who makes others disciples in destitute areas and all over the world.

2 Timothy 2:2

To be the light of the world by being the good example to others
